ORDER OF THE BOARD (by Mr. Dumelle):

Petition filed August 16, 1974 is inadequate in that no information is given as to whether the lake is a public water supply or discharges to a public water supply or what long lasting effects, if any, rotenone has upon aquatic biota and benthos.

Petitioner shall amend the petition within 30 days of the date of this order to provide the information requested. Failure to timely file the required information shall make the petition liable to dismissal for inadequacy. The 90-day decision period set by statute shall run from the date of filing the additional information. The amended petition shall be filed with both the Board and the Environmental Protection Agency.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify the above Order was adopted on the 29th day of August, 1974 by a vote of 5-0.
