HEARING OFFICER ORDER

On July 7, 2005, all parties participated in a telephonic status conference with the hearing officer. The parties represented that settlement discussions have been ongoing, including the possibility of a supplemental environmental project. The respondent made an oral motion for an extension of time to file its answer. The complainant had no objection. The respondent's motion is granted and respondent's answer is now due to be filed on or before September 29, 2005.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 8, 2005, at 9:30 a.m. The telephonic status conference must be initiated by the complainant, but each party is nonetheless responsible for its own appearance. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.
