On September 26, 1989, Rockford Products Company filed a motion to dismiss petition for review of denial of operating permit renewal. That motion is granted and this matter is dismissed. The Board notes that once a permit appeal is dismissed, that any refiling is time-barred, as the Illinois Environmental Protection Act requires that any appeal be filed within 35 days of the Illinois Environmental Protection Agency's permit decision.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 28th day of September, 1989, by a vote of 6-0.
