ILLINOIS POLLUTION CONTROL BOARD
February 2, 1989

QUANTUM CHEMICAL CORPORATION Petitioner, v. ILLINOIS ENVIRONMENTAL PROTECTION AGENCY Respondent.	)	PCB 89-16

ORDER OF THE BOARD (by J. Marlin):

On January 27, 1989, the Quantum Chemical Corporation (Quantum) filed a petition for permit appeal. However, Quantum did not submit the appropriate filing fee when the petition was filed. Quantum may have been unaware of recent amendments to the Environmental Protection Act which prescribe filing fees. P.A. 85-1331 (effective January 1, 1989).

Pursuant to Resolution 88-3 (a copy of which is attached), the Board finds that the petition is deficient for failure to submit a filing fee of 75 dollars. In addition, the Board finds that the 120-day statutory decision period does not begin running until the appropriate filing fee is received by the Board.

Unless Quantum files a filing fee within 21 days of the date of this Order the petition will be subject to dismissal.

Additionally, the Board allows the attorney who filed the petition to appear pro hoc vice.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 2nd day of February, 1989, by a vote of 7-0.
