ORDER OF THE BOARD (by J. Marlin):

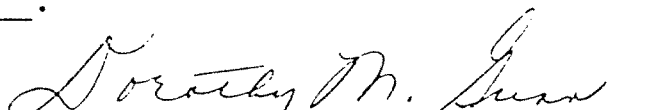
On September 28, 1989, Moline Corporation (Moline) and the Environmental Protection Agency (Agency) filed a Joint Motion to Stay Proceedings. In the motion the parties state that they have "reached an agreement to pursue negotiations in an effort to settle this matter". As a result, the parties request "the Board stay all pending proceedings until further notice from any of the parties".

Since this is a permit appeal proceeding, the Board must make its decision in this matter within the statutorily prescribed time period. Specifically, the Board is due to decide this case at its January 11, 1990 meeting. Moline has not provided the Board with a waiver of that statutory decision deadline. Therefore, the Board will not grant this motion. However, the parties are free to refile their motion if it is accompanied by an appropriate waiver.

The joint motion is hereby denied.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Order was adopted on the 18th day of October, 1989, by a vote of 7-0.



Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
