

ILLINOIS POLLUTION CONTROL BOARD
September 13, 1990

IN THE MATTER OF:)
) R88-7
DEVELOPMENT, OPERATING, AND) (Rulemaking)
REPORTING REQUIREMENTS FOR)
NON-HAZARDOUS WASTE LANDFILLS)

ORDER OF THE BOARD (by J. Anderson):

On August 17, 1990, the Board adopted a Final Opinion and Order in this proceeding and directed the Clerk of the Board to file these regulations with the Secretary of State. Due to the nature and complexity of this proceeding, the Board, on its own motion, is reconsidering that Order today in order to correct a typographical error in the August 17, 1990 Order. The typographical error occurs on Page 18 of the August 17, 1990 Order, on lines one and eleven of Section 811.101(b). In order to insure consistency with the Second Notice Opinion and Order of June 7, 1990, the phrase "two years after the effective date of this Part" is hereby amended to read "one year after the effective date of this Part."

The Board notes that the language of Section 811.101(b) as included in the Second Notice Order and as discussed in the Second Notice Opinion and the Final Notice Opinion is consistent with the amendment adopted by the Board today. While this error was discovered prior to the acceptance for filing of the August 17, 1990 Order by the Secretary of State, it was unfortunately not discovered until after that Order had been mailed to the persons on the Notice List. The Board today readopts the Final Order of August 17, 1990, as amended. The Board directs the Clerk to file these regulations as amended with the Secretary of State and cause publication in the Illinois Register. The Board also will send copies of an errata sheet as a substitute for Page 18 of the August 17, 1990 Order to all persons listed on the Notice List for this rulemaking.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Opinion and Order was adopted on the 13th day of September, 1990, by a vote of 7-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
