Respondents.)

INTERIM ORDER OF THE BOARD (by J. Anderson):

On September 2, 1986, the Parties submitted a stipulated settlement agreement.

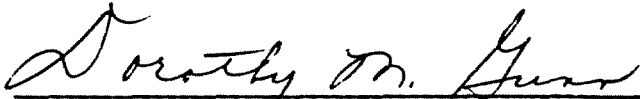

It appears that either the issuance of a RCRA permit or the equivalent of a federal RCRA "delayed compliance order" may be necessary to effectuate the agreement. In any event, it appears that this proceeding is subject to the procedural requirements of the Board's RCRA procedural rules 35 Ill. Adm. Code 103.260-103.268. Pursuant to these rules and Federal RCRA authorization requirements, the proposed agreement is defective.

The parties are directed to address these issues. Alternatively, the parties are directed to inform the Board as to a) why these procedures do not apply and b) whether this agreement is consistent with the closure and post-closure requirements of 35 Ill. Adm. Code Parts 724 and 725.

If no response to this Order is received within 60 days, the stipulation will be rejected and this matter will be set for hearing.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above Interim Order was adopted on the 23rd day of October, 1986 by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
