ILLINOIS POLLUTION CONTROL BOARD
July 23, 1981

IN THE MATTER OF:)
)
GENERAL AND SPECIAL WASTE   )   R80-20
RULES AND REGULATIONS   )

ORDER OF THE BOARD (by J.D. Dumelle):

On July 7, 1981, the Illinois Environmental Protection
Agency (Agency) filed a motion for extension of time until
November 30, 1981 to submit additional amendments to its proposal
herein. Numerous grounds are given for this extension, the most
important of which are:

1.   Significant and substantial written comments from
      the general public concerning the original proposal;

2.   Resignation of the Illinois Environmental Protection
      Agency's (Agency) Division Manager of the Division
      of Land Pollution Control;

3.   The reassignment of the Agency's staff attorney
      previously responsible for representing the Agency
      in this matter;

4.   The need to incorporate an Open Dump Inventory
      program into the proposal which the Agency is in
      the process of implementing;

5.   The need to incorporate a landfill siting bill which
      was recently passed by the state legislature;

6.   The Agency's need to spend considerable time imple-
      menting the Resource Conservation and Recovery Act
      and Underground Injection Control programs within
      the next few months; and

7.   The possible need to consider changes in the proposal
      based upon other legislation which is awaiting the
      Governor's signature.

For these reasons the Board hereby grants an extension
until November 1, 1981 for the Agency to submit an amended
proposal.

The Board notes, however, that some of the testimony at
the first four hearings may become irrelevant due to changes
in the proposal. In order not to burden the record unnecessarily,

the Board requests the Agency to submit any amendments to the proposal with a motion to strike irrelevant portions of the existing testimony, if any.

IT IS SO ORDERED.

I, Christan L. Moffett, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 23rd day of July, 1981 by a vote of 5-0.

Christan L. Moffett, Clerk
Illinois Pollution Control Board
