Narrative Inspection Report

LPC #: 1930050003 – White County

Name: Lewis Scrap Metal Maintenance Shop

Date of Inspection: February 3, 2014

Inspector: Garrison Gross

Subject: Used / Waste Tire Storage Inspection at Lewis Scrap Metal Maintenance Shop

General Remarks: A Used / Waste Tire Storage Inspection was conducted on Monday, February 3, 2014, at Lewis Scrap Metal Maintenance Shop. The Inspection was conducted by Garrison Gross representing the Illinois EPA Bureau of Land. The site is located at ~240 Main Street, Burnt Prairie, Illinois 62820. The inspection was performed due to the offsite observation of used / waste tires. Weather conditions at the time of the inspection were clear skies, 32° F, with a moderate breeze. Surface conditions at the site were frozen to muddy.

Inspection Findings: The inspection began at approximately 3:20 P.M. I had previously discussed the site with William “Billy” Lewis while conducting an inspection at the Lewis Scrap Metal, LLC salvage yard. I entered the property and continued the inspection by walking and photographing the site. Mr. Lewis told me that reusable used tires were collected at the salvage yard and hauled to the maintenance shop. The facility reuses some of the tires on their fleet of trucks and they intend to sell some of the tires to a retredder.

Tire Storage: The tires were being stored in and around five (5) box trailers (photo 001). Approximately 360 tires were stored at the site (photos 002-006, 008, 011). Approximately 35 tires were being stored outside on the ground and not protected from accumulating water. Several tires had accumulated water and ice (photos 007, 009 and 010). The facility is not registered as a tire storage site. Three of the box trailers were missing one or both of the rear doors. One had a roll up door but it was unknown if it functioned. The sea-land trailer appeared to be equipped with working doors. The damaged / missing doors should be repaired or replaced or a new securable entryway should be constructed to prevent unauthorized access to the trailers. The inspection ended at approximately 3:30 P.M.

Additional Remarks: A Used Tire Activity Registration / Notification Form has not been submitted for the maintenance shop. Information obtained from the White County Supervisor of Assessment’s Office indicated that tax bills are mailed to Timothy Lewis and William Lewis, 593 CR 2575 North, Burnt Prairie, Illinois 62820 for parcels # 02-19-155-009 and 02-19-155-10.
