Mike – if you wish, you can email us corrected electronic versions of the documents which contain corrections, as opposed to saving to a CD.

As for paper versions, we'll need:

- 1) Three copies of the Register pages being corrected (unless the pagination has changed as a result of the corrections, in which case we'll need this particular document in its' entirety).
- 2) Three hole-punched copies of the Code pages being corrected. Unlike the Register document, each section begins on a separate page, and so there's no need to send us this document in its' entirety.

thx

Subject: Corrections to 35 Ill. Adm. Code 611 Adopted

JCAR has noted that amendments adopted at 38 Ill. Reg. 3608 were omitted from the text of recent amendments filed with your office. JCAR has requested that we pull the recently filed amendments from publication in the May 2, 2014 issue of the *Illinois Register* and submit to you replacement copies of the text and Code pages.

For the foregoing reasons, I request that you pull the recently filed amendments to 35 Ill. Adm. Code 611 from publication on May 2, 2014. I will forward replacement text and Code pages, together with replacement digital files, which you should receive by Monday, April 28, 2014. I will not sent replacements for the notice pages and certification.

- 6II.381(c)(1)(A)(vi) inclusion of the ending period that was changed to a semicolon and omission of the semicolon and omission of the ending conjunction “or”
