RESPONSE BY PETITIONER, VILLAGE OF SKOKIE, TO THE ILLINOIS POLLUTION CONTROL BOARD'S QUESTIONS

Pursuant to 35 111. Adm. Code 104.220, Petitioner, VILLAGE OF SKOKIE, ("Skokie") submits the following Response to the Questions of the Illinois Pollution Control Board ("Questions") to the Illinois Pollution Control Board ("PCB") filed on July 24, 2019 regarding Skokie's Petition (PCB 16-26) for a Chloride Time-Limited Water Quality Standard ("TLWQS") for the Defined Chicago Waterway System/Des Plaines River Watershed.

Rather than repeat the responses that have already been filed, Skokie joins in, adopts, and incorporates into its Response the responses and clarifications as contained in the Response filed by the Metropolitan Water Reclamation District of Greater Chicago ("MWRDGC") (PCB 16-29).

Skokie specifically accepts the information contained in Table 1 and Table 2 as was included in the PCB's Questions filed on July 24, 2019, noting that the data regarding Skokie's "Receiving Water," "Permit Number," and "Discharge Category" (listed as columns in Table 2) are all correct.

Respectfully submitted,

VILLAGE OF SKOKIE,

By: /s/ James G. McCarthy
