RE: Standards for the Management of Specific Hazardous Waste and Specific Types of Hazardous Waste Management Facilities (35 Ill. Adm. Code 726; 42 Ill. Reg. 11016; R17-14/R17-15/R18-12)

Dear Chairman Currie:

In closing the above referenced file, JCAR staff discovered the following errors in the Board's filed rulemaking:

- 726.180(a)(10), 1st sentence: "reclaiming" is erroneously included twice (before reclaiming reclaiming them).
- 726.202(e)(6)(D): The period after "Testing" should have been stricken.
- 726.305(c): "considertions" should be "considerations".

These issues can be corrected using the Expedited Correction process or the next time PCB proposes amendment of this Part. If we can be of any assistance in correcting these problems, please contact Jonathan Eastvold of this staff at (217)785-2254.

Sincerely,

Vicki Thomas
Executive Director
