ORDER OF THE BOARD (by C.M. Santos):

On January 22, 2020, B-Petro Corporation (B-Petro) filed a motion to voluntarily dismiss this appeal (Mot.), which concerns a leaking underground storage tank (UST) site located at 306 North Canal in Annawan, Henry County. B-Petro had filed a petition for review of a determination by the Illinois Environmental Protection Agency (Agency) in which the Agency modified B-Petro's amended site investigation budget and B-Petro's actual costs budget for Stage 2 and Stage 3 site investigation for the leaking UST site. B-Petro's motion states that "the parties have been able to resolve their disagreements" and that B-Petro "no longer seeks to appeal the Respondent's UST decision." Mot. at 1.

The Board grants B-Petro's motion for voluntary dismissal, dismisses the appeal, and closes the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on February 6, 2020 by a vote of 4-0.
