Subject: RE: 35 IAC 720

Good evening, Jonathan:

Our responses appear below in bold, red font, following your questions:

I just got a call from Vicki, who says that Sec. 720.109 (in the TOC of the current rulemaking, but not the rulemaking itself) is mislabeled as “Renumbered”, which is only appropriate per SOS style guide to mark an empty Section from which all the text has been relocated. Is it ok if we bring Sec. 109 into the current rulemaking to fix that Section heading? **We will do that.**

Also: What is the docket number for the 7xx/8xx package of rulemakings? The one listed in the source note refers to a docket on air pollution, which doesn't seem quite right. **The correct docket number is R20-8/R20-16.**

If you have any other questions, please let me know. Thank you.

Best regards,

Richard
