Illinois Pollution Control Board:

Please REJECT General Iron's appeal to skirt the pollution rules that the Illinois EPA required.%2%0

This company already has a HORRIBLE track record on Chicago's northside. It does not deserve any shortcuts down here in my neighborhood.

General Iron does NOT deserve the benefit of the doubt. It must be held to a much higher standard because of its constant rule-breaking.

Again, please OPPOSE General Iron's request to not follow the rules.  
Sincerely,

Southeast Side Resident%2%0

Enough is enough with allowing this serial polluter to pay off politicians to look the other way while they break the laws, violate their permits and violate local health and safety ordinances. They must be regulated. Please say no to their request to be above the law.
