Illinois Pollution Control Board:

A rule breaker like General Iron does not deserve one single shortcut when it comes to the Illinois EPA's pollution rules.

Please REJECT General Iron's appeal to get out of the pollution control requirements.

I live near General Iron now. It is a horrible neighbor that spews toxic fluff on my backyard and street. A company like this should have tighter controls.

Again, vote against General Iron's request.

Sincerely,

Current General Iron Neighbor

Dear Illinois Pollution Control Board

A rule breaker like General Iron does not deserve one single shortcut when it comes to the Illinois EPA's pollution rules. Please REJECT General Iron's appeal to get out of the pollution control requirements.

Friends of mine live near General Iron at its current location. It is a horrible neighbor that spews toxic material into their backyard and street.

A company like this should have tighter controls. Please vote against General Iron's request.

Sincerely,

Kristin Lems

Illinois Pollution Control Board:

Had General Iron invested money on equipment, this most likely not be an issue. I steady they have bribed politicians for decades.

To the Illinois Pollution Control Board:

General Iron has flouted Illinois's EPA pollution rules for years in Old Town, and should not be able to ask for decreased scrutiny as part of their move to a different neighborhood.

Please REJECT General Iron's appeal to get out of the pollution control requirements.

I live near General Iron now, and they spew toxic fluff on my backyard and street. They recently had an explosion at their facility that shows they should have tighter controls wherever they are located.

Please vote against General Iron's request.

Sincerely,

Sandy Machugin
