HEARING OFFICER ORDER

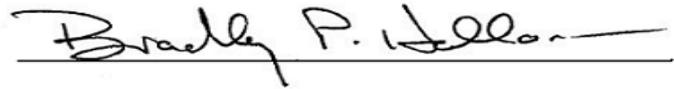

On September 1, 2020, all parties participated in a telephonic status conference with the hearing officer. Discussions centered on the respondent's motion for an extension of time to file the record in this appeal and whether the petitioner will be filing an additional waiver of the statutory decision deadline.

On August 31, 2020, the respondent filed a motion for an extension of time (Mot.) to file the record, to and including September 25, 2020. Respondent states that due to numerous reasons, including the voluminous record in this matter, more time is needed to compile the record. Mot. at 1. Respondent also states that Petitioner has no objection. Mot. at 2. Respondent's motion is granted and the record is now due on or before September 25, 2020.

Petitioner reported that it will file an additional waiver of the statutory decision deadline to and including January 7, 2021, so that the parties can further discuss this appeal.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 18, 2020, at 2:00 p.m. The telephonic status conference must be initiated by the petitioner, with the petitioner providing a call-in number. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter.

IT IS SO ORDERED.
