

Electronic Filing: Received, Clerk's Office 10/27/2020 P.C. #110

**From:** [Ginnie Judd](#)  
**To:** [Brown, Don](#)  
**Subject:** [External] Regulations on Coal Ash - protect our communities  
**Date:** Tuesday, October 27, 2020 3:38:01 PM

---

Dear Mr. Brown,

I'm writing to urge the Illinois Pollution Control Board (IPCB) to place strong regulations to protect communities against the dangers of coal ash.

It is crazy to me that we do not protect our people from contaminated water caused by coal ash.

Polluters need to be responsible for the harm they cause.

Thank you,

Ginnie Judd
