ORDER OF THE BOARD (by C.M. Santos):

On June 15, 2021, Steve and Jarilyn Stavropoulos (the Stavropouloses) filed a motion to dismiss this appeal, which concerns their leaking underground storage tank (UST) site located at 2844 West 47th Street in Chicago, Cook County. On February 28, 2020, the Stavropouloses had filed a petition for review of a determination by the Illinois Environmental Protection Agency to deny their request for reimbursement from the UST Fund. The petition states that the Stavropouloses no longer seek to appeal the issue in this proceeding. The Board grants the Stavropouloses' motion, dismisses the appeal, and closes the docket.

IT IS SO ORDERED.

I, Don A. Brown, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on July 8, 2021, by a vote of 4-0.
