

Section 103.302 of the Board's procedural rules sets forth the required contents of stipulations and proposed settlements. *See* 35 Ill. Adm. Code 103.302. These requirements include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of Beardstown's operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2020)), which bears on the reasonableness of the circumstances surrounding the alleged violations. Beardstown admits the alleged violations. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2020)), which may mitigate or aggravate the civil penalty amount. Under the proposed settlement, Beardstown agrees to pay a civil penalty of \$5,670.00 within 30 days after the date of this order. The People and Beardstown have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.
