HEARING OFFICER ORDER

On September 17, 2021, the petitioner filed an Amended Petition for an Adjusted Standard. By a previous agreement, the Illinois Environmental Protection Agency’s Recommendation is due November 22, 2021.

It is also noted that on October 18, 2021, Clean Power Lake County, Earthjustice, Environmental Law and Policy Center, Prairie Rivers Network, and Sierra Club (collectively Environmental Organizations), filed a Renewed Request for Public Hearing. (Renewed Request). The initial request was addressed by the Board in its June 17, 2021 order. In the Environmental Organizations renewed request, it asks that the hearing in this matter emulate the hearing held in R 2020-19 where the hearing was a hybrid manner. “If a full hybrid hearing is not possible, we request that the portion of the hearing dedicated to oral public comment be conducted in a hybrid manner.” Renewed Request at 1. I note the request and strive to accomplish the Environmental Organizations request as much as administratively possible.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on December 6, 2021, at 10:00 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. The petitioner is to provide a call-in number. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.

IT IS SO ORDERED.

A handwritten signature in black ink that reads "Bradley P. Halloran". The signature is written in a cursive style and is positioned above a solid horizontal line.
