AMENDMENTS TO 35 ILL. ADM. CODE ) R 18-23  
SUBTITLE C: WATER POLLUTION ) (Rulemaking - Water)

**HEARING OFFICER ORDER**

In an order on November 4, 2021, the hearing officers scheduled two hearings, with the second taking place at 10:00 AM on Thursday, February 3, 2022, by videoconference between the Board's Springfield and Chicago offices. The Board notes that forecasts for much of the state in the next three days include unusually severe winter weather expected to make travel to this hearing very difficult and possibly dangerous. Earlier today, the Governor issued a disaster proclamation based on this winter storm.

Due to this forecast of severe weather, the hearing now scheduled for February 3, 2022, is canceled. The hearing officers will soon issue a Notice of Hearing and order re-scheduling it.

IT IS SO ORDERED.
