MOTION FOR EXTENSION OF TIME

Midwest Generation, LLC (“Petitioner”) by and through its attorney, submits this Motion for Extension of Time to file its Response to the Illinois Environmental Protection Agency’s (“Illinois EPA” or “Agency”) Recommendation concerning Midwest Generation LLC’s request for an Adjusted Standard from 35 Ill. Adm. Code § 845.740(a). In support thereof, Petitioner states as follows:

1. On May 11, 2021, Petitioner filed its Petition for an Adjusted Standard (“Petition”) from 845.740(a) and Finding of Inapplicability of Part 845.
2. On June 3, 2021, the Illinois Pollution Control Board (“Board”) accepted the Petition and granted Illinois EPA an extension of time to file the Agency’s Recommendation on the Petition, ordering the Agency Recommendation due on September 23, 2021.
3. On September 22, 2021, Illinois EPA filed its Recommendation to the Board stating that Part 845 was inapplicable to Pond 1 and Pond 3 at the Joliet 29 Station. Simultaneous with its Recommendation, Illinois EPA filed a Motion for Extension of Time to file its Recommendation regarding Petitioner’s request for an adjusted standard from 35 Ill. Adm. Code § 845.740(a) for Pond 2.
4. On September 30, 2021, the Hearing Officer granted Illinois EPA’s Motion for Extension of Time for the Agency to file its Recommendation for Pond 2 and ordered the Agency Recommendation due on November 22, 2021. Upon Agency request and without

objection, the Hearing Officer granted Illinois EPA three additional extensions of time to file its Recommendation for Pond 2 until February 4, 2022 while Illinois EPA and Petitioner were still engaged in discussions surrounding the facts alleged and relief requested.

5. On February 4, 2022, the Agency filed with the Board and served to Petitioner its Recommendation for Pond 2. Pursuant to 35 Ill. Adm. Code 104.416(d), Petitioner's Response to the Agency's Recommendation is due within 14 days after service of the Recommendation, or February 18, 2022.

6. Petitioner requires additional time to complete and file its Response to the Agency's Recommendation in this matter, and respectfully requests that the Hearing Officer extend the deadline to respond to March 9, 2022.

7. Counsel for Petitioner contacted the Agency's counsel, who indicated they have no objection to the requested extension of time.

WHEREFORE, Petitioner requests that the Hearing Officer grant its Motion for Extension of Time to March 9, 2022 to file its Response to the Agency's Recommendation as to Joliet 29 Pond 2.

Respectfully submitted,
