

include stipulating to facts on the nature, extent, and causes of the alleged violations and the nature of Rolling Meadows' operations. Section 103.302 also requires that the parties stipulate to facts called for by Section 33(c) of the Act (415 ILCS 5/33(c) (2020)), which bears on the reasonableness of the circumstances surrounding the alleged violations. Rolling Meadows does not affirmatively admit the alleged violations. The stipulation also addresses the factors of Section 42(h) of the Act (415 ILCS 5/42(h) (2020)), which may mitigate or aggravate the civil penalty amount. Under the proposed settlement, Rolling Meadows agrees to pay a civil penalty of \$5,000 within 30 days after the date of this order. The People and Rolling Meadows have satisfied Section 103.302. The Board accepts the stipulation and proposed settlement.

This opinion constitutes the Board's findings of fact and conclusions of law.
