Hearing Officer Horton,

The Illinois EPA is requesting a filing deadline extension for all Post Hearing Comments, until March 3, 2023. On February 15, 2023, the Agency contacted parties and received “no objection” responses from: Claire Manning, 3M, Dynege, IMO, PFAS Regulatory Coalition, and IERG.

Please advise if this email will suffice as a request to extend the filing deadline (for all comments and

all parties), or if a motion requesting the extension is necessary.

Thank you,

Sara G. Terranova
Assistant Counsel
Illinois EPA
