HEARING OFFICER ORDER

On February 15, 2023, the Illinois Environmental Protection Agency (IEPA) requested, via e-mail, for an extension of the filing date for all post hearing comments in this rulemaking. At the close of the third hearing in this matter, the hearing officer set February 17, 2023, as the filing date for post hearing comments. IEPA now requests that the date be extended for all participants to March 3, 2023. IEPA reports that seven participants in this rulemaking have indicated they have no objection to the extension of time.

The extension of time is granted. All final post hearing comments in R22-18 will be due on March 3, 2023.
