HEARING OFFICER ORDER

On August 10, 2023, all parties participated in a telephonic status. The Illinois Environmental Protection Agency (IEPA) made an oral motion for an extension of time to file its response to petitioner’s motion to stay the proceedings, filed July 28, 2023. Petitioner did not object. The motion is granted and the IEPA’s response is now due September 6, 2023.

On July 28, 2023, the petitioner filed a motion to incorporate certain exhibits and testimony from PCB 13-15 into the AS 21-3 docket. At the conference call, the IEPA orally stated that it had no objection. Petitioner’s motion is granted. It is noted that petitioner filed a Second Amended Petition for an Adjusted Standard on July 28, 2023.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on September 20, 2023, at 10:30 a.m. The telephonic status conference must be initiated by the petitioner, but each party is nonetheless responsible for its own appearance. The petitioner is to provide a call-in number. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing.
