Subject: [External] Public Comment: AS 2021-03: Adjusted Standard for the Waukegan Station
Date: Thursday, February 15, 2024 1:47:44 PM

Public Comment from Christine Kiel --

It is unconscionable that NRG puts public health at risk by refusing to take the necessary steps to remove coal ash from the lakefront. NRG should follow the law and take responsibility for fixing this environmental hazard. There should be no more excuses for inaction when the quality of the environment and people's wellbeing are at stake.
