

Electronic Filing: Received, Clerk's Office 04/01/2024 P.C. # 49

**From:** [Carol Tarnoff](#)  
**To:** [Brown, Don](#)  
**Subject:** [External] NRG Energy  
**Date:** Friday, March 29, 2024 8:43:32 PM

---

Dear Mr Brown,

I oppose NRG's refusal to remove coal ash from the Lake Michigan area and dispose of it in an environmentally responsible manner. These coal ash retaining ponds are endangering the groundwater in Waukegan and may potentially contaminate Lake Michigan. Lake Michigan is an invaluable freshwater resource.

Thank you.

Carol Tarnoff
