HEARING OFFICER ORDER

On October 1, 2024, a telephonic status conference was held. The complainants reported that the parties have had productive discussions since the last status conference and that it appears that they have reached a potential resolution. Respondent reported that wells have been reinstalled except for two but that it is hopeful the remaining two will be reinstalled soon. Respondent's consultant plans to visit the site next week continuing its work on remedies.

The parties or their legal representatives are directed to participate in a telephonic status conference with the hearing officer on November 7, 2024, at 11:00 a.m. At the status conference, the parties must be prepared to discuss the status of the above-captioned matter and their readiness for hearing. The complainants will provide a call-in number.
