ORDER OF THE BOARD (by M. McFawn):

On August 15, 1996 the Board ordered complainants to file proofs of service in this case no later than September 1, 1996. That date was extended until September 27, 1996 upon their motion and our order granting the same of September 5, 1996. Now complainants moved for additional time to file proofs of service. In their motion of September 26, 1996 they ask that the Board allow them until October 21, 1996 to file either proofs of service or a motion to voluntarily withdraw. The latter will be filed if the settlement memorialized in attachment A of their motion is effected.

Based upon attachment A, the parties appear to have been working diligently towards settlement despite the lack of service in this case. Therefore the Board will grant the additional time requested. Complainants have until October 21, 1996 to file a motion to voluntarily withdraw this complaint or file the proofs of service.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the _____ day of _____, 1996, by a vote of _____.
