Dear Don Brown,

Please docket this email as a public comment for R2024-017 in the Matter of Proposed Clean Car and Truck Standards: Proposed Section 35 III. Admin Code

Thank you for receiving my public comment. I am a Chicago resident and live in 60647. I support the Illinois Pollution Control Board adopting the Proposed Clean Car and Truck Standards! These standards are important because less pollution and access to more electric cars will be healthier for our kids and communities. We deserve cleaner air and cleaner cars.

Thank you for your time,
Ashanthi De Silva
