Dear Don Brown,

Please docket this email as a public comment for **R2024-017** in the Matter of Proposed Clean Car and Truck Standards. Proposed Section 35 III. Admin code 242.

Thank you for receiving my public comment. I am a Chicago resident and live in Pilsen. I support the Illinois Pollution Control Board adopting the Proposed Clean Car and Truck Standards! These standards are important because of my family's history of asthma. We deserve to breathe clean air and not have to be concerned about the quality of air in our neighborhood due to pollution. We have the right to fresh clean air!!

Thank you for your time,
