BEFORE THE ILLINOIS POLLUTION CONTROL BOARD

IN THE MATTER OF:	)	
	)	AS 2024-006
PETITION OF MIDWEST GENERATION	)	
FOR AN ADJUSTED STANDARD FROM	)	(Adjusted Standard – Air)
35 ILL. ADM. CODE PARTS 201 AND 212	)	

**MIDWEST GENERATION’S STATUS REPORT AND
MOTION TO EXTEND STAY OF PROCEEDINGS**

NOW COMES Midwest Generation, LLC (“Midwest Generation”) by and through its attorneys, ArentFox Schiff LLP, and pursuant to 35 Ill. Adm. Code § 101.502 and 101.514, provides this Status Report and Motion to Extend Stay of Proceedings. Midwest Generation requests that the Hearing Officer extend the stay in this proceeding for an additional six months to allow time for the United States Environmental Protection Agency (“USEPA”) to approve the amendments to 35 Ill. Adm. Code Section 212.214 adopted by the Illinois Pollution Control Board (“Board”) in the rulemaking proceeding in Docket No. R 23-18(A) as a revision to the Illinois State Implementation Plan (“SIP”).

Status Report

1. On April 23, 2025, Midwest Generation filed a Status Report and Motion to Extend Stay of Proceedings in this matter pending USEPA’s approval of the amendments adopted in rulemaking docket R23-18(A). *Midwest Generation’s Status Report and Motion to Extend Stay of Proceedings*, AS 24-06 (Apr. 23, 2025). In that Motion, Midwest Generation explained that while Midwest Generation anticipates that USEPA will ultimately approve the rule amendments adopted by the Board in R23-18(A), keeping this proceeding open and stayed would allow Midwest Generation to retain the ability to pursue its Petition for Adjusted Standard if USEPA ultimately disapproves the rule amendments that are applicable to Midwest Generation’s Powerton Generating Station as a revision to the Illinois SIP. *Id.*

2. The Illinois Environmental Protection Agency (“IEPA” or the “Agency”) did not object to the stay, and the Hearing Officer granted a stay of proceedings until October 30, 2025. *Hearing Officer Order*, AS 24-06 (Apr. 24, 2024).

3. To date, USEPA has not approved the rule amendments adopted by the Board in R23-18(A). IEPA published its proposed SIP submittal for public comment on October 1, 2025.¹ The public comment process is currently scheduled to end on October 31, 2025. IEPA has informed Midwest Generation that, once the public notice and comment process ends, it will send a SIP submittal to USEPA for approval.

Request to Extend Stay

4. Midwest Generation requests that the Hearing Officer extend the stay in this proceeding for an additional six months. While IEPA is progressing towards obtaining USEPA approval of the rule amendments, circumstances have not meaningfully changed since the Board granted a stay in April 2025.

5. Once USEPA formally approves or disapproves the amendments adopted by the Board in R23-18(A), Midwest Generation will have clarity on whether the relief sought in this proceeding is necessary. However, the timeline for USEPA’s decision making is unknown. Recognizing the Board’s preference against indefinite stays, Midwest Generation requests that the Hearing Officer stay proceedings for an additional six months, at the end of which Midwest Generation will provide an update on the SIP approval process and request further stay if necessary.

6. Counsel for Midwest Generation has consulted with counsel for the Agency and the Agency does not object to an extension of the stay.

¹ IEPA’s public notice materials are available at <https://epa.illinois.gov/public-notices/general-notices.html>.

WHEREFORE, for the reasons set forth above, Midwest Generation respectfully requests that the Hearing Officer grant this Motion to Extend Stay of Proceedings for six months.

Respectfully submitted,

Midwest Generation, LLC
