IN MATTER OF:)
)
Petition of Abbott Laboratories) AS 94-5
for an Adjusted Standard) (Adjusted Standards - Air)
from 35 Ill. Adm. Code 218)
Subpart RR)

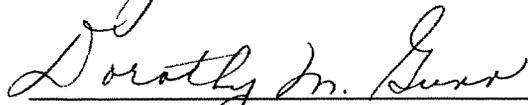

ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on a joint status report and request for extension of stay filed April 15, 1996 by Abbott Laboratories and the Illinois Environmental Protection Agency. The parties state that the present matter is subject to a stay pending approval of the United States Environmental Protection Agency (USEPA) of rulemaking R94-31, an amendment to 35 Ill. Adm. Code 218 Subpart T. It is the parties' stated belief that the USEPA is experiencing a backlog of final orders due to the federal government shutdowns in November and December 1995, and accordingly request that the stay in this matter be extended.

The motion for stay is granted until July 18, 1996. The parties are directed to file status reports, either jointly or separately, no later than July 10, 1996.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 18th day of April, 1996, by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
