ORDER OF THE BOARD (by E. Dunham):

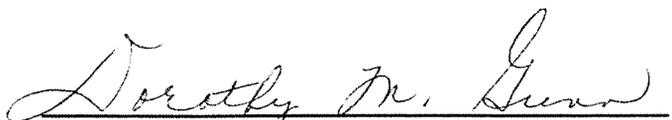

This matter comes before the Board pursuant to an Illinois Environmental Protection Agency (Agency) Motion for Extension of Time to File Agency Recommendation, filed December 13, 1994. Pursuant to 35 Ill. Adm. Code 106.714, the Agency is to file a response to the petition within 30 days of the filing of the petition. The City of Wood River filed the petition on October 27, 1994, therefore the Agency recommendation should have been filed on November 26, 1994. The Agency requests an extension until December 28, 1994 to file its recommendation, in order to complete review of the petition.

The Board hereby grants the Agency an extension. However, the Board to date has not received the recommendation from the Agency. The Board directs the Agency to file the recommendation by January 20, 1995.

On December 16, 1994, the City of Wood River filed a motion for waiver of hearing. The Agency filed a response to petitioner's request for waiver of hearing, stating that it has no objection to the waiver of hearing. Since no request for hearing has been received by the Board and the Agency has no objection to the waiver of the hearing, the Board grants the request for waiver of hearing. The Board rescinds its order of December 1, 1994 to the extent that it ordered this matter to hearing.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 11<sup>th</sup> day of January, 1995, by a vote of 6-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
