ORDER OF THE BOARD (by E. Dunham):

This matter is before the Board on the Illinois Environmental Protection Agency's (Agency) December 5, 1994 second motion for extension of time to file its response to Lone Star Industries' petition for adjusted standard. The Agency requests an extension from December 2, 1994 until January 6, 1995 to file its response, because several exhibits and appendices were missing from the Agency's copy of the petition. The Agency states that Lone Star has agreed to provide the missing documents, and that Lone Star has no objection to the Agency's motion.

The motion is granted. The Agency's response is now due on January 6, 1995.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 14th day of December, 1994, by a vote of 6-0.
