ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on a February 22, 1994 motion to release large exhibits, filed by Laidlaw Waste Systems (Madison), Inc. (Laidlaw). Laidlaw states that the deadline for further appeal of this case has passed, and that it can use the large exhibits in this record at other public hearings and meetings. Laidlaw states that there are 8½" x 11" copies of all large exhibits in the record, so that the large exhibits may be released pursuant to the Film Records Reproduction Act (5 ILCS 170/4 (1992)) and the State Records Act (5 ILCS 160/8, 160/17 (1992)). Thus, Laidlaw asks the Board to release all exhibits 20" x 18" and larger.

The motion to release large exhibits is granted. Laidlaw shall make arrangements with the Clerk's office for transfer of those large exhibits. Laidlaw shall bear any costs of release of the exhibits.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 3rd day of March, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
