

ILLINOIS POLLUTION CONTROL BOARD  
August 11, 1994

IN THE MATTER OF: )  
 )  
PETITION OF ACME STEEL COMPANY ) AS 94-8  
AND LTV STEEL COMPANY FROM ) (Adjusted Standard)  
35 ILL. ADM. CODE 302.211 )

ORDER OF THE BOARD (by E. Dunham):

On July 20, 1994, the Illinois Environmental Protection Agency (Agency) filed a motion for further extension of time to respond to the petitioners' request for an adjusted standard. The Agency was required to respond to the petition by April 25, 1994, but was granted two prior extensions until May 13, 1994 and until July 15, 1994. The Agency states that subsequent discussions had been had with petitioners. The Agency reports that petitioners have agreed to supplement the record in this proceeding within 30 days. The Agency believes that the incorporation of this additional information will improve the quality of the Agency's response. The Agency requests an extension of 30 days from after the record is supplemented by the petitioners in which to file its response.

The Agency has not specified a date certain for the filing of its response but requests that an extension be granted for 30 days after petitioner has supplemented the record. The Board refuses to grant an extension for an indefinite period. The Board will grant the Agency an extension until September 30, 1994, in which to file its response to the petition for adjusted standard.

The Board notes that related permit appeals (PCB 91-28 and PCB 92-2) are stayed pending resolution of this adjusted standard. Petitioner is ordered to file any supplemental information to be considered by the Agency by August 26, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 11<sup>th</sup> day of August, 1994, by a vote of 6-0.

  
Dorothy M. Gunn, Clerk  
Illinois Pollution Control Board
