

ILLINOIS POLLUTION CONTROL BOARD
September 15, 1994

IN THE MATTER OF:)
)
PETITION OF ABBOTT LABORATORIES) AS 94-5
FOR AN ADJUSTED STANDARD FROM) (Adjusted Standard)
35 ILL. ADM. CODE 218 SUBPART RR)
)

ORDER OF THE BOARD (by J. Theodore Meyer):

This matter is before the Board on a joint motion for an extension of stay and a joint status report, filed on September 6, 1994 by Abbott Laboratories and the Illinois Environmental Protection Agency (Agency). The parties state that the Agency anticipates submitting the proposed rule to the Board by October 1, 1994. The parties further note that proposed rule would provide the relief requested by Abbott in its petition for adjusted standard filed February 14, 1994. Thus, the parties request that the Board stay this proceeding until adoption of that amended rule.

The motion for stay is granted. However, we will not stay this matter indefinitely, pending the outcome of a rulemaking that has not yet been filed with the Board. This matter is stayed until November 3, 1994. The parties are directed to file status reports, either jointly or separately, no later than October 28, 1994. The status reports shall include detailed information on the progress of the anticipated rulemaking.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 15th day of September, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
