

ILLINOIS POLLUTION CONTROL BOARD

July 21, 1994

IN THE MATTER OF:)
)
PETITION OF OUTBOARD MARINE) AS 94-3
CORPORATION FOR AN ADJUSTED) (Adjusted Standard)
STANDARD FROM 35 ILL. ADM.)
CODE PART 218 SUBPART TT)

ORDER OF THE BOARD (by M. McFawn):

On July 7, 1994 the Illinois Environmental Protection Agency (Agency) filed a motion seeking an extension of time in which to file its response to the petition of Outboard Marine Corporation (OMC) for an adjusted standard. The Agency amended its motion on July 14, 1994, to request an extension until September 12, 1994. The Agency response was originally due March 16, 1994. The Agency had previously requested an extension until June 14, 1994, which was granted.

In its motion, the Agency indicates that it needs additional time to review OMC's documents in order to provide a well-informed recommendation. The Agency also indicates that OMC does not object to the granting of this extension. Furthermore, the Agency indicates that OMC will not suffer prejudice, since OMC filed its application for adjusted standard within 20 days of the effective date of the regulation from which an adjusted standard is sought, and therefore application of the regulation is stayed as to OMC (415 ILCS 5/28.1(e) (1993)).

The Agency's motion is hereby granted. The Agency response and recommendation must be filed no later than September 12, 1994.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 21st day of July, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
