v.)	PCB 02-163
)	(UST Appeal)
ILLINOIS ENVIRONMENTAL PROTECTION AGENCY,)	(90-Day Extension)
)	
Respondent.)	

ORDER OF THE BOARD (by C.A. Manning):

On April 2, 2002, the parties timely filed a joint notice to extend the 35-day period within which the Illinois State Toll Highway Authority (Authority) may appeal a February 21, 2002 determination of the Illinois Environmental Protection Agency (Agency). *See* 415 ILCS 5/40(a)(1) (2000); 35 Ill. Adm. Code 105.206(c), 105.208(a), (c). The Agency rejected portions of the high priority corrective action plan regarding the Authority's leaking underground storage tank located at Tri-State Tollway (I-294), North Bound, Mile Post 1.1, South Holland/Lincoln Oasis (Lincoln North), Cook County. Since the record does not specify the date on which the Agency's determination was served on the petitioner, the Board will calculate the extension from the date of the Agency's determination. The Board extends the appeal period until June 26, 2002, as the parties request. *See* 415 ILCS 5/40(a)(1) (2000); 35 Ill. Adm. Code 105.208(a). If the Authority fails to file an appeal on or before that date, the Board will dismiss this case and close the docket.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, certify that the Board adopted the above order on April 18, 2002, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
