PETITION OF SOLAR ) AS 94-2  
CORPORATION FOR AN ADJUSTED ) (Adjusted Standard)  
STANDARD FROM 35 ILL. ADM. )  
CODE 218 SUBPART PP )

ORDER OF THE BOARD (by M. McFawn):

This matter is before the Board on a joint motion for extension of time filed by the parties on May 27, 1994. The parties seek an additional 45 days for petitioner Solar Corporation (Solar) to file its amended petition, extending its deadline until July 12, 1994.

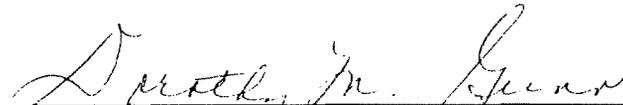

Solar filed its original petition on February 14, 1994. On March 3, 1994, the Board accepted Solar's petition but noted that it was not yet complete and directed Solar to file an amended petition on or before April 15, 1994. On April 1, 1994, the parties filed a joint motion for extension of time to file the amended petition which the Board granted on April 21, 1994, allowing Solar until May 27, 1994 to file its amended adjusted standard petition.

In support of their joint motion, the parties indicate that they have been involved in negotiations, and that Solar has submitted a copy of its amended adjusted standard petition to the Agency for its review. The Agency seeks time to review the petition to determine whether it will join as a co-petitioner. Additionally, counsel for the Agency will be in reserve training for two weeks during the month of June.

The joint motion for extension of time is hereby granted. Solar is given until July 12, 1994 to file its amended petition.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 2<sup>nd</sup> day of June 1994, by a vote of 6-0.
