IN THE MATTER OF: )  
 )  
PETITION OF CHASE PRODUCTS ) AS 94-4  
COMPANY FOR AN ADJUSTED ) (Adjusted Standard)  
STANDARD FROM 35 ILL. ADM. )  
CODE 218 SUBPART DD )

ORDER OF THE BOARD (by M. McFawn):

This matter is before the Board on a joint motion for extension of time filed by the parties on May 27, 1994. The parties seek an additional 45 days for petitioner Chase Products Company (Chase) to file its amended petition, extending the deadline until July 12, 1994.

Chase filed its original petition on February 14, 1994. On March 3, 1994, the Board accepted Chase's petition but noted that it was not yet complete and directed Chase to file an amended petition on or before April 15, 1994. On April 1, 1994, the parties filed a joint motion for extension of time to file the amended petition which the Board granted on April 21, 1994, allowing Chase until May 27, 1994 to file its amended adjusted standard petition.

In support of their joint motion, the parties indicate that they have been involved in negotiations, and that the Illinois Environmental Protection Agency (Agency) conducted an inspection of Chase's operations on May 13, 1994. The Agency anticipates recommending that the Board grant Chase an adjusted standard, but it is unable to state its position with finality until a final report of its inspection is complete. The Agency expects to complete its inspection report by June 3, 1994, which Chase anticipates will clarify the information needed for its amended petition. Additionally, counsel for the Agency will be in reserve training until June 27, 1994.

The joint motion for extension of time is hereby granted. Chase is given until July 12, 1994 to file its amended petition.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 2<sup>nd</sup> day of June 1994, by a vote of 6-0.
