ORDER OF THE BOARD (by R.C. Flemal):

Simultaneous petitioner and respondent briefs in this matter were due on November 12, 1993. Respondent's brief was filed timely; petitioner sought and received leave from the Board to file its brief by December 1, 1993.

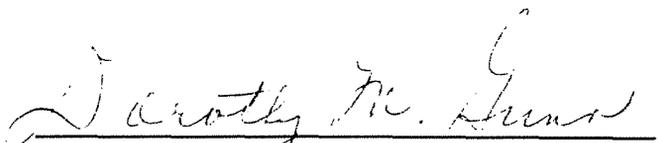

Petitioner now seeks leave, via a motion filed on December 13, 1993, to file its brief instanter. That motion is hereby granted reluctantly.

It should be noted that petitioner's brief as filed does not have pages numbered 11 and 12, and is apparently missing text at that point. The Board is disinclined to accept a brief that is incomplete. However, this matter currently has a decision due-date of January 20, 1994; the Board would appreciate benefit of petitioner's full argument, but the decision timeframe is insufficient for the Board to fully deliberate on this matter and allow for the filing of a corrected brief. The Board would allow petitioner opportunity to file a corrected brief only upon filing of a waiver of the decision deadline.

IT IS SO ORDERED.

Board Member M. Nardulli abstains.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 6<sup>th</sup> day of January, 1994, by a vote of 6-0.

  
Dorothy M. Gunn, Clerk
