

ILLINOIS POLLUTION CONTROL BOARD
June 23, 1994

IN THE MATTER OF:)
)
PETITION OF ACME STEEL COMPANY) AS 94-8
AND LTV STEEL COMPANY FROM) (Adjusted Standard)
35 ILL. ADM. CODE 302.211)

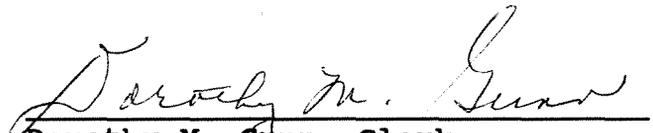

ORDER OF THE BOARD (by E. Dunham):

On June 2, 1994, the Illinois Environmental Protection Agency (Agency) filed a motion for further extension of time to respond to the petitioners' request for an adjusted standard. The Agency was required to respond to the petition by April 25, 1994, but was granted an extension until May 13, 1994. The Agency states that communications with petitioners revealed historical information which will require an additional meeting between the petitioners and the Agency. This meeting will be scheduled as soon as possible. Information from this meeting will improve the quality of the Agency response, therefore, the Agency requests a further extension until after the meeting with petitioners to file its response.

The Agency has not specified a date for the filing of its response but requests that the response be filed as soon as practical after a meeting between petitioners and the Agency. The Board refuses to grant an extension for an indefinite period. The Board will grant the Agency an extension until July 15, 1994 in which to file its response to the petition for adjusted standard.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 23rd day of June, 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
