OPINION AND ORDER OF THE BOARD:

This matter comes before the Board upon a one-count complaint filed March 22, 1994, by Roland W. Burris, Attorney General of the State of Illinois, on behalf of the Illinois Environmental Protection Agency and the People of the State of Illinois, against The Milnot Company, an Illinois Corporation located in the City of Litchfield, Montgomery County, Illinois. The complaint alleges that The Milnot Company has violated Section 25b-2 of the Illinois Environmental Protection Act (Act), (415 ILCS 5\25b-2), pertaining to toxic chemical release reporting requirements.

Pursuant to 415 ILCS 5/31(a)(2), the parties filed a joint Motion requesting relief from the Act's hearing requirement on March 22, 1994. The Board published a notice of the waiver on March 28, 1994; no objection to grant of the waiver was received. Waiver of hearing is hereby granted.

The parties filed a Stipulation and Settlement Agreement on March 22, 1994. The Stipulation sets forth facts relating to the nature, operations and circumstances surrounding the claimed violations. The Milnot Company admits the alleged violations and agrees to pay a civil penalty of two thousand eight hundred fifty dollars (\$2,850.00).

The Board finds the settlement agreement acceptable under 35 Ill. Adm. Code 103.180. This settlement agreement in no way affects respondent's responsibility to comply with any federal, state or local regulations, including but not limited to the Act and the Board's pollution control regulations.

This opinion constitutes the Board's findings of fact and conclusions of law in this matter.
