

ILLINOIS POLLUTION CONTROL BOARD
April 21, 1994

IN THE MATTER OF:)
)
PETITION OF CHASE PRODUCTS) AS 94-4
COMPANY FOR AN ADJUSTED) (Adjusted Standard)
STANDARD FROM 35 ILL. ADM.)
CODE 218 SUBPART DD)

ORDER OF THE BOARD (by M. McFawn):

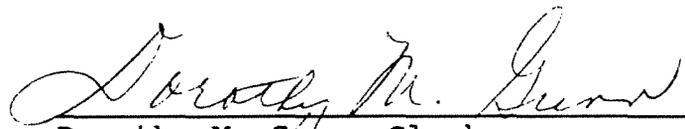

On April 1, 1994 Chase Products Company (Chase) filed a joint motion for extension of time, in which it requests that it be given until May 27, 1994 to submit an amended petition. The motion states that the Illinois Environmental Protection Agency (Agency) has no objection to the motion and has authorized Chase to file it as a joint motion.

Pursuant to a Board Order of March 3, 1994, Chase was required to file an amended adjusted standard petition by April 15, 1994. (The parties incorrectly state in their motion that the amended petition was due April 29, 1994.) The motion indicates the Agency intends to inspect Chase's operations, and to meet with Chase to further discuss the relief requested in the initial petition. The parties hope that these negotiations will enable them to reach agreement as to the appropriate standard to be applied to Chase in order to more quickly resolve this matter.

The joint motion is hereby granted. Chase is given until May 27, 1994 to file its amended adjusted standard petition.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 21st day of April 1994, by a vote of 6-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
