ORDER OF THE BOARD (by M. Nardulli):

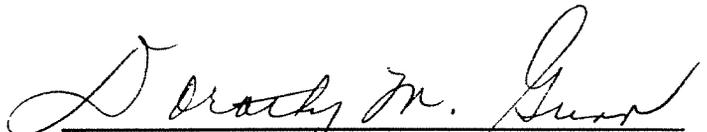

This matter is before the Board on a September 3, 1993, petition for extension of variance. On October 20, 1993, the Agency filed a recommendation in this matter. Currently before the Board is the Agency's November 16, 1993, motion to file amended petition instantner.

The Agency reports that during recent discussions between the parties, the Village of North Aurora requested certain revisions to the recommendation in this matter. The Agency has agreed to the revisions and the changes are reflected in the amended recommendation.

The Board concludes that petitioner will suffer no prejudice by the granting of the motion to file amended recommendation instantner. The Board notes that petitioner has waived the decision deadline until February 3, 1994, and as such, there exists sufficient time for the Board to properly consider this matter. Therefore, the Agency's motion to file the amended recommendation instantner is granted.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 18th day of November, 1993, by a vote of 5-0.

Dorothy M. Gunn, Clerk
Illinois Pollution Control Board
