ORDER OF THE BOARD (by J. C. Marlin):

This matter comes before the Board upon receipt of an Agency Recommendation dated July 28, 1992. The recommendation refers to a request from Petitioner, Indian Refining Limited Partnership for a 30 day provisional variance for its Lawrence County facility from the 90-day on-site limitations for hazardous wastes set forth in 35 Ill. Adm. Code 722.134(b).

With the Recommendation was a letter requesting protection for certain confidential business information attached to the Recommendation. The Clerk of the Board will maintain the copies of this filing in secured files pursuant to 35 Ill. Adm. Code 120, and only those copies with the confidential information deleted will be open to public inspection.

Upon receipt of the request the Agency issued its recommendation, finding that the hazardous wastes must remain on-site for longer than 90 days due to unforeseen, temporary and uncontrollable circumstances and failure to grant the requested 30-day provisional variance would impose an arbitrary or unreasonable hardship on Petitioner.

The responsibilities of the Agency and the Board in these short-term provisional variances are different from the responsibilities in standard variances. See Ill. Rev. Stat. 1989, ch. 111½, pars. 1035(b) & (c). In provisional variances it is the responsibility of the Agency to make the technical determinations and finding of arbitrary or unreasonable hardship. The Board's responsibility is to adopt a formal Order, to assure the formal maintenance of the record, to assure the enforceability of the variance, and to provide notification of the action by a press release.

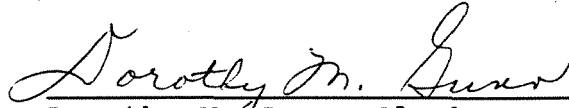

Having received the Agency recommendation finding that a denial of the request relief would impose an arbitrary and

unreasonable hardship the Board hereby grants Petitioner a provisional variance from 35 Ill. Adm. Code 722.134(b) from August 7, 1992 to September 6, 1992.

IT IS SO ORDERED.

I, Dorothy M. Gunn, Clerk of the Illinois Pollution Control Board, hereby certify that the above order was adopted on the 30th day of July, 1992, by a vote of 6-0.

Illinois Pollution Control Board
